

As an existing swimmer/parent with Aquatic Dolphins Swim School we are updating our data protection consent inline with the new GDPR regulations in force from the end of May 2018.

The new booking forms for the Autumn term will include this consent but until then I need you to complete the following and return to me asap.

Your details gathered on our booking forms include child's full name, parents name, email address, contact number and medical information of the swimmer, and date of birth.

The child's full name, your contact number, dob and any medical conditions are shared with the class teacher for their information and also to let you know of any last-minute cancellations as quickly as we can.

Your email address and contact number are used to let you know of any changes to the swimming times, cancellations, payment reminders and upcoming term dates, holiday courses, and any relevant information for your swimming session.

I agree/disagree to being contacted by text message, phone call or facebook messenger (delete any if you do not want to be contact in this way.

I consent to my information being used in the above ways (signed)\_\_\_\_\_

(name)\_\_\_\_\_ (date )\_\_\_\_\_.

When you leave the swim school your data can be removed, so please let me know if you would not like to receive further information of upcoming courses.

This form will be completed on an annual basis to ensure we are keeping your requests for communication current.

If you have any concerns please contact Danielle [swim@aquaticdolphins.co.uk](mailto:swim@aquaticdolphins.co.uk)

Thanks in advance.

Danielle
